Excuses don't win championships.

Oh yeah, did Michael Jordan tell you that?

No, I told him that.

What are your choices when someone puts a gun to your head?

What are you talking about? You do what they say or they shoot you.

Wrong. You take the gun, or you pull out a bigger one. Or, you call their bluff. Or, you do any one of a hundred and forty six other things.

JANE BLOGLIFE

Welcome to the blog of **Jane's world**

The image shows a screenshot of a fashion blog's website. At the top, there is a dark header bar with social media icons (Facebook, Instagram, YouTube, Twitter, LinkedIn) and a search icon. Below the header, a large banner features a woman in a black top and white skirt standing in front of a dark, industrial-looking background. On the left side of the banner, the text "Jane's FASHION BLOG" is displayed, with "Jane's" in a smaller font above "FASHION BLOG". A small "SUBSCRIBE" button is located at the bottom left of the banner. Overlaid on the banner is a white "SUBSCRIBE" modal window. The modal has a title "SUBSCRIBE" at the top left, a close "X" button at the top right, and a descriptive text "Join my mailing list to receive updates on the latest blog posts and other things." below it. It contains a text input field labeled "Enter e-mail" and a red "Subscribe" button at the bottom.
